

Teeing Up For Hope: 2025 Golf Classic Impact Report

Our warmest thanks

You're making a difference for everyone who relies on NACF

I want to personally thank you for supporting the 2025 Golf Classic. This event has been a successful fundraiser for the Never Alone Cancer Foundation for nearly five years. Thanks to our generous sponsors, team players, and donors, the Golf Classic continues to sell out. You have our gratitude.

Proceeds from the Golf Classic allow us to meet the most pressing needs of individuals and families affected by cancer. Over the past five years, demand for support has grown more than 45 percent, and many of these needs are not covered by insurance.

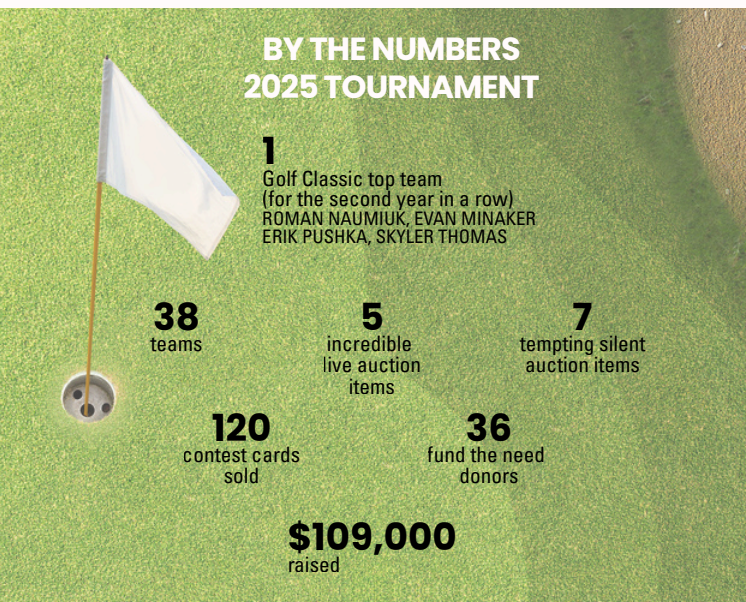

Because of your generosity, we are able to provide comfort, practical support, and hope to those who need it most. Your partnership helps us close the gap where support is otherwise lacking and makes a real difference in the lives of people going through their hardest times.

Knowing that our community stands together during these challenging moments makes all the difference. Thank you for your commitment, support, and belief in the work we do.

Michael Schiefer
Executive Director, NACF

"After two years fighting Stage 4 bone cancer, I can say I wouldn't have made it without Never Alone. Michael was there when I felt hopeless with support, compassion, and care. As of January 7, 2025, I'm cancer-free. I'm forever grateful."

— Connie, Cancer Survivor

**"We show up when it's hard, and we help however we can.
No one should face cancer alone."**

Your gift paid for comfort, relief, and moments of peace the system doesn't cover.

Thank you for standing beside someone when it mattered most.

We're grateful you walked with us.
