

Never Alone Cancer Walk

Over \$101,800 raised to support Manitobans affected by cancer!

A Message of Thanks

Because of you, the Never Alone Cancer Walks have become celebrations of hope, strength, and community. You make possible the programs that lift burdens, ease worries, and remind people that they are not alone in their journey.

Our mission is simple: no one should face cancer alone. Each story is different, but the impact is the same. When someone hears, "Yes, we can help," it brings hope and strength not just to them, but to their entire family. That is the difference you make.

Thank you to our generous sponsors, your support lifts this work higher. Thank you to the Winnipeg Kinsmen for their remarkable \$25,000 gift in matched donations, which inspired and multiplied the generosity of so many.

On behalf of everyone touched by your kindness, thank you.

"After two years fighting Stage 4 bone cancer, I can say I wouldn't have made it without Never Alone. They were there when I felt hopeless with support, compassion, and care. As of January 7, 2025, I'm cancer-free. I'm forever grateful."
 — Connie, Cancer Survivor
